

Distance Learning
English Prayer Project
Year 6

UrsulinenRealschule
Cologne

Let's make up English prayers for our class!

#1 *Plan and prepare your prayer!*

- 1) **What** should your prayer be about?
Example: ill classmates/friends --- support for exams --- global topics like pollution --- ...etc.
- 2) Which **words/phrases** do you need? There is a language support to give you some ideas! BUT you can use your words/phrases, too! Use online dictionaries, for example linguee.

#2 *Write your prayer!*

- 1) Write a **first draft** (erster Entwurf). Present it to your buddy/learning partner. You can read it out loud or send her the text.
- 2) Consider your partner's feedback and use it if you think it's useful. Improve (=make better) your text.

#3 *Design it!*

- 1) **Design** your prayer. Illustrate it with the help of drawings, handlettering, photos...
- 2) **Send** me a photo, scan of your product or if you made it on the PC send me the file! You can also send it to me as a real old-fashioned snail mail.
- 3) Extra cool/fantastic/creative/inspiring/wonderful/moving/... prayers will be rewarded with a bonus acknowledgement for the Sonstige Mitarbeit.
